PROCEEDS RECIPIENT

The mission of Midlands Community Foundation is to benefit the diverse needs of the Sarpy and Cass county communities by providing financial support, involvement and service.

The Reflection Ball is an important social and fund-raising event for the communities of Sarpy and Cass counties. Some of the region's most active and influential business and community leaders and friends of Midlands Community Foundation gather together to celebrate at this elegant charity ball. This year we will celebrate our 28th Annual Reflection Ball. The Foundation is extremely grateful for all the generous contributions and support we have received throughout the years.

Each year a decision is made to honor someone who has contributed significantly to Sarpy and Cass counties and the mission of the Foundation. The 2009 Reflection Award recipients are Ken and Charlotte Molzer for their tireless dedication and volunteer service to our community. Before their retirement, Ken and Charlotte were long-time teachers in Papillion, junior high music and preschool, respectively. Most recently, Ken was instrumental in planning and raising funds for the Sumter Amphitheatre and he is the founder of the Papillion Area Concert (PAC) Band.

The honorary chairs are Jim and Nancy Thompson. Jim is Vice President of Pinnacle Bank and Nancy is CEO of Big Brothers Big Sisters of the Midlands. Both are long-time supporters of Midlands Community Foundation and the community.

The proceeds recipient is Big Brothers Big Sisters of the Midlands. Big Brothers Big Sisters is a donor-supported volunteer organization whose mission is to help children reach their potential through professionally supported, one-to-one relationships with measurable impact. This year Big Brothers Big Sisters of the Midlands is celebrating 50 years of changing how children grow up in our community. In 2008, nearly 1,200 children were mentored by a Big Brother, Big Sister or Big Couple through Big Brothers Big Sisters. Research reveals that children with Big Brothers and Big Sisters improve their self-esteem, have better relationships with their peers, avoid risky behaviors, and enhance their opportunities for school success.
